Professionals do the

## Pet Grooming!

**We will be glad to invite pet owners to a cup of coffee or tea, while they'll be awaiting for their pet to be groomed!**

Each crew member is sincerely passionate about taking care of you four-legged friends, as each of them owns a cat or a dog. This kind of an insightful care, boosted by our extensive range of regular, exhibition and healthcare grooming services is what made our salon the #1 in the town!

### Dental Care

While there are some well-known tricks for making your cat or a dog brush their teeth, still a regular oral health checkup is essential, when it comes to household...

### Specialty Care

The services included range from flea dip and deep coat conditioning to relaxing massage for your cat or a dog! Fulminating and even cosmetic facials come.

### Feet, and Tail Service

Fighting with issues like the nailcare, eye drainage problem and brushing the tail hair is a part of our grooming routine. Our specialists will do it both.

# Happy Pet Owners

The first thing I did after buying my cute terrier puppy was to call a professional pet grooming salon and ask for their recommendations. They advised me to sign my dog up for a regular grooming schedule, which I gladly did!

Linda

Before my good friend and a fellow dog owner Janice referred me to this pet grooming salon, I didn't have the slightest idea of how many niche grooming services, such as the dog massage there are. Now my Daisy is their happy pet client too!

Klaus

When I took my corgi Albert to this place for the first time, he was not too happy about taking a bath. But each time as he got used to the staff member who groomed him (Janine), Albert became more and more fond of the process, getting excited even prior to a visit!

Kathrine
